### SENATE BILL RECALLED

On motion of Senator J. Cullerton, **Senate Bill No. 438** was recalled from the order of third reading to the order of second reading.

Senator J. Cullerton offered the following amendment and moved its adoption:

#### AMENDMENT NO. 1 TO SENATE BILL 438

AMENDMENT NO. 1. Amend Senate Bill 438 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Pension Code is amended by changing Section 17-149 as follows:  
(40 ILCS 5/17-149) (from Ch. 108 1/2, par. 17-149)

Sec. 17-149. Cancellation of pensions.

(a) If any person receiving a disability retirement pension from the Fund is re-employed as a teacher by an Employer, the pension shall be cancelled on the date the re-employment begins, or on the first day of a payroll period for which service credit was validated, whichever is earlier.

(b) If any person receiving a service retirement pension from the Fund is re-employed as a teacher on a permanent or annual basis by an Employer, the pension shall be cancelled on the date the re-employment begins, or on the first day of a payroll period for which service credit was validated, whichever is earlier. However, subject to the limitations and requirements of subsection (c-5), the pension shall not be cancelled in the case of a service retirement pensioner who is re-employed on a temporary and non-annual basis or on an hourly basis.

(c) If the date of re-employment on a permanent or annual basis occurs within 5 school months after the date of previous retirement, exclusive of any vacation period, the member shall be deemed to have been out of service only temporarily and not permanently retired. Such person shall be entitled to pension payments for the time he could have been employed as a teacher and received salary, but shall not be entitled to pension for or during the summer vacation prior to his return to service.

When the member again retires on pension, the time of service and the money contributed by him during re-employment shall be added to the time and money previously credited. Such person must acquire 3

[April 30, 2015]

consecutive years of additional contributing service before he may retire again on a pension at a rate and under conditions other than those in force or attained at the time of his previous retirement.

(c-5) The service retirement pension shall not be cancelled in the case of a service retirement pensioner who is re-employed as a teacher on a temporary and non-annual basis or on an hourly basis, so long as the person (1) does not work as a teacher for compensation on more than 100 days in a school year and (2) does not accept gross compensation for the re-employment in a school year in excess of (i) \$30,000 or (ii) in the case of a person who retires with at least 5 years of service as a principal, an amount that is equal to the daily rate normally paid to retired principals multiplied by 100. These limitations apply only to school years that begin on or after August 8, 2012 (the effective date of Public Act 97-912) this amendatory Act of the 97th General Assembly. Such re-employment does not require contributions, result in service credit, or constitute active membership in the Fund.

Notwithstanding the 100-day limit set forth in item (1) of this subsection (c-5), the service retirement pension shall not be cancelled in the case of a service retirement pensioner who teaches only driver education courses after regular school hours and does not teach any other subject area, so long as the person does not work as a teacher for compensation for more than 900 hours in a school year. The \$30,000 limit set forth in subitem (i) of item (2) of this subsection (c-5) shall apply to a service retirement pensioner who teaches only driver education courses after regular school hours and does not teach any other subject area.

To be eligible for such re-employment without cancellation of pension, the pensioner must notify the Fund and the Board of Education of his or her intention to accept re-employment under this subsection (c-5) before beginning that re-employment (or if the re-employment began before the effective date of this amendatory Act, then within 30 days after that effective date).

The Board of Education must certify to the Fund the temporary and non-annual or hourly status and the compensation of each pensioner re-employed under this subsection at least quarterly, and when the pensioner is approaching the earnings limitation under this subsection.

If the pensioner works more than 100 days or accepts excess gross compensation for such re-employment in any school year that begins on or after August 8, 2012 (the effective date of Public Act 97-912) this amendatory Act of the 97th General Assembly, the service retirement pension shall thereupon be cancelled.

If the pensioner who only teaches drivers education courses after regular school hours works more than 900 hours or accepts excess gross compensation for such re-employment in any school year that begins on or after the effective date of this amendatory Act of the 99th General Assembly, the service retirement pension shall thereupon be cancelled.

The Board of the Fund shall adopt rules for the implementation and administration of this subsection.

(d) Notwithstanding Sections 1-103.1 and 17-157, the changes to this Section made by Public Act 90-32 apply without regard to whether termination of service occurred before the effective date of that Act and apply retroactively to August 23, 1989.

Notwithstanding Sections 1-103.1 and 17-157, the changes to this Section and Section 17-106 made by Public Act 92-599 apply without regard to whether termination of service occurred before the effective date of that Act.

Notwithstanding Sections 1-103.1 and 17-157, the changes to this Section made by this amendatory Act of the 97th General Assembly apply without regard to whether termination of service occurred before the effective date of this amendatory Act.

#### SENATE BILL RECALLED

On motion of Senator Raoul, **Senate Bill No. 209** was recalled from the order of third reading to the order of second reading.

Senator Raoul offered the following amendment and moved its adoption:

#### AMENDMENT NO. 1 TO SENATE BILL 209

AMENDMENT NO. 1. Amend Senate Bill 209 by replacing everything after the enacting clause with the following:

"Section 5. The Unified Code of Corrections is amended by changing Section 5-5-3.1 as follows:  
(730 ILCS 5/5-5-3.1) (from Ch. 38, par. 1005-5-3.1)

Sec. 5-5-3.1. Factors in Mitigation.

(a) The following grounds shall be accorded weight in favor of withholding or minimizing a sentence of imprisonment:

(1) The defendant's criminal conduct neither caused nor threatened serious physical harm to another.

(2) The defendant did not contemplate that his criminal conduct would cause or threaten serious physical harm to another.

(3) The defendant acted under a strong provocation.

(4) There were substantial grounds tending to excuse or justify the defendant's criminal conduct, though failing to establish a defense.

(5) The defendant's criminal conduct was induced or facilitated by someone other than the defendant.

(6) The defendant has compensated or will compensate the victim of his criminal conduct for the damage or injury that he sustained.

(7) The defendant has no history of prior delinquency or criminal activity or has led a law-abiding life for a substantial period of time before the commission of the present crime.

(8) The defendant's criminal conduct was the result of circumstances unlikely to recur.

(9) The character and attitudes of the defendant indicate that he is unlikely to commit another crime.

(10) The defendant is particularly likely to comply with the terms of a period of probation.

(11) The imprisonment of the defendant would entail excessive hardship to his dependents.

[April 30, 2015]

(12) The imprisonment of the defendant would endanger his or her medical condition.

(13) The defendant was intellectually disabled as defined in Section 5-1-13 of this Code.

(14) The defendant sought or obtained emergency medical assistance for an overdose and was convicted of a Class 3 felony or higher possession, manufacture, or delivery of a controlled, counterfeit, or look-alike substance or a controlled substance analog under the Illinois Controlled Substances Act or a Class 2 felony or higher possession, manufacture or delivery of methamphetamine under the Methamphetamine Control and Community Protection Act.

(15) At the time of the offense, the defendant is or had been the victim of domestic violence and the effects of the domestic violence tended to excuse or justify the defendant's criminal conduct. As used in this paragraph (15), "domestic violence" means abuse as defined in Section 103 of the Illinois Domestic Violence Act of 1986.

(b) If the court, having due regard for the character of the offender, the nature and circumstances of the offense and the public interest finds that a sentence of imprisonment is the most appropriate disposition of the offender, or where other provisions of this Code mandate the imprisonment of the offender, the grounds listed in paragraph (a) of this subsection shall be considered as factors in mitigation of the term imposed. (Source: P.A. 97-227, eff. 1-1-12; 97-678, eff. 6-1-12; 98-463, eff. 8-16-13.)

Section 10. The Code of Civil Procedure is amended by changing Section 2-1401 as follows:

(735 ILCS 5/2-1401) (from Ch. 110, par. 2-1401)

Sec. 2-1401. Relief from judgments.

(a) Relief from final orders and judgments, after 30 days from the entry thereof, may be had upon petition as provided in this Section. Writs of error coram nobis and coram vobis, bills of review and bills in the nature of bills of review are abolished. All relief heretofore obtainable and the grounds for such relief heretofore available, whether by any of the foregoing remedies or otherwise, shall be available in every case, by proceedings hereunder, regardless of the nature of the order or judgment from which relief is sought or of the proceedings in which it was entered. Except as provided in Section 6 of the Illinois Parentage Act of 1984, there shall be no distinction between actions and other proceedings, statutory or otherwise, as to availability of relief, grounds for relief or the relief obtainable.

(b) The petition must be filed in the same proceeding in which the order or judgment was entered but is not a continuation thereof. The petition must be supported by affidavit or other appropriate showing as to matters not of record. All parties to the petition shall be notified as provided by rule.

(b-5) A movant may present a meritorious claim under this Section if the allegations in the petition establish each of the following by a preponderance of the evidence:

(1) the movant was convicted of a forcible felony;

(2) the movant's participation in the offense was related to him or her previously having been a victim of domestic violence as perpetrated by an intimate partner;

(3) no evidence of domestic violence against the movant was presented at the movant's sentencing hearing;

(4) the movant was unaware of the mitigating nature of the evidence of the domestic violence at the time of sentencing and could not have learned of its significance sooner through diligence; and

(5) the new evidence of domestic violence against the movant is material and noncumulative to other evidence offered at the sentencing hearing, and is of such a conclusive character that it would likely change the sentence imposed by the original trial court.

Nothing in this subsection (b-5) shall prevent a movant from applying for any other relief under this Section or any other law otherwise available to him or her.

As used in this subsection (b-5):

"Domestic violence" means abuse as defined in Section 103 of the Illinois Domestic Violence Act of 1986.

"Forcible felony" has the meaning ascribed to the term in Section 2-8 of the Criminal Code of 2012.

"Intimate partner" means a spouse or former spouse, persons who have or allegedly have had a child in common, or persons who have or have had a dating or engagement relationship.

(c) Except as provided in Section 20b of the Adoption Act and Section 2-32 of the Juvenile Court Act of 1987 or in a petition based upon Section 116-3 of the Code of Criminal Procedure of 1963, the petition must be filed not later than 2 years after the entry of the order or judgment. Time during which the person seeking relief is under legal disability or duress or the ground for relief is fraudulently concealed shall be excluded in computing the period of 2 years.

(d) The filing of a petition under this Section does not affect the order or judgment, or suspend its operation.

[April 30, 2015]

(e) Unless lack of jurisdiction affirmatively appears from the record proper, the vacation or modification of an order or judgment pursuant to the provisions of this Section does not affect the right, title or interest in or to any real or personal property of any person, not a party to the original action, acquired for value after the entry of the order or judgment but before the filing of the petition, nor affect any right of any person not a party to the original action under any certificate of sale issued before the filing of the petition, pursuant to a sale based on the order or judgment.

(f) Nothing contained in this Section affects any existing right to relief from a void order or judgment, or to employ any existing method to procure that relief.  
(Source: P.A. 95-331, eff. 8-21-07.)".

The motion prevailed.

And the amendment was adopted and ordered printed.

There being no further amendments, the foregoing Amendment No. 1 was ordered engrossed, and the bill, as amended, was ordered to a third reading.
